Set a public hearing, as required by 40 CFR 51, for June 8, 2005, to solicit comments on the Resolution to submit supplemental information on the implementation of Maricopa County Air Pollution Control Rule 310 consisting of the Application for Dust Control Permit and Guidance for Application for Dust Control Permit as a revision to Arizona State Implementation Plan (SIP) for PM-10. Following the public hearing, the Board is requested to approve the attached Resolution and submit it as a revision to Arizona State Implementation Plan (SIP) for PM-10.

Also as required by A.R.S. §49-406 G., each agency which commits to implement a control measure contained in the implementation plan shall describe that commitment in a resolution adopted by the governing body of the agency which specifies its authority for implementing the measure, a program for enforcement, and the level of personnel and funding allocated to the implementation of the measure.
